## CPA 2013 – Author Declaration

Dear Dr. Chalmers,

I have just submitted the final camera-ready copy of my paper:

**TITLE:**

which has been accepted for publication in the proceedings of the conference Communicating Process Architectures 2103 (CPA 2013), which takes place from 25th to 28th August 2013 at Edinburgh Napier University.

I understand that proceedings are being published by Open Channel Publishing Ltd., which has a Memorandum of Agreement with Edinburgh Napier University as commissioning contractor. I also understand that, as part of that agreement, Edinburgh Napier University has given the following warranties (use of the term '*Contractor*' refers to Edinburgh Napier University and use of the term '*Publisher*' refers to Open Channel Publishing):

*The Contractor hereby warrants to the Publisher and any assignee, licensee, copier, or distributor, thereof, that:*

- i. the Contractor has the right and power to make this Agreement;*
- ii. the Work originated solely with the Contractor and Authors except for material licensed for inclusion, material in the public domain, or excerpts from other works legitimately included with the written permission of the copyright owner;*
- iii. the Work is neither currently published nor subject to any existing agreement to be published either as a whole or by parts in any medium anywhere in the world;*
- iv. the Work in no way violates any existing copyright, licence, duty of confidentiality, duty to respect privacy, or existing agreement;*
- v. the Work includes clear notice to the reader as to the safety or lack thereof of any recipe, formula, or procedure, whether followed by human or machine, with regard to any person or persons or property thereof, and to disclaim any responsibility on the part of the Publisher for their use in any context or upon any event;*
- vi. the Work contains nothing obscene, indecent, defamatory, or libellous, and that all statements purporting to be facts are true;*
- vii. nothing within the Work is liable to give rise to any criminal prosecution or civil action for damages or any other remedy.*

On behalf of myself and my co-authors (if any), I hereby represent that my submitted paper (named above) conforms to the terms of the above warranty.

Authors retain copyright (jointly with Open Channel Publishing Ltd.) on their papers published in the proceedings of CPA 2013. On behalf of myself and my co-authors (if any), I give permission for the PDF image of the final paper to be made available in the public on-line repository maintained by WoTUG.

Yours sincerely,
